Seed Discount Update

With a busy harvest season upon us, we wanted to send out a reminder of the early order and early payment discounts available on certain types of Viking and Blue River organic seeds.

Early Order Discounts

There will be a \$10 per bag discount for Viking organic corn and Viking organic alfalfa for orders placed through October 15th, plus an additional 9% discount for payment by October 15th on orders of organic corn and alfalfa.

There will also be a \$5 per bag early order discount for Blue River organic corn and alfalfa ordered by October 30th, and an additional 8% discount for payment by October 30th on orders of organic corn and alfalfa.

Fall Cover Crops

We still have organic fall rye and organic winter wheat seed on hand for immediate pickup.

Rodent Control

10% off all rodent control products and Traffic Cop.

Rodent control is best started before infestations. Protect your facility with live boxes and bait stations.

We have bait and bait stations in stock to help.

Sila-Prime Organic Formulation

Application rate is 1.5-3 lbs per ton depending on moisture content of silage.

Sila-Prime is a culture added to organic materials in order to create a fermentation environment conducive to high-nutrient, problem-free feed crops. When activated by moisture, the culture produces lactic acid and lowers pH levels. Silage or hay cures cooler, resulting in a product with high nutrient value that appeals to livestock with highly natural color and aroma.

The microorganisms found in Sila-Prime are proven to act effectively with the following crops:

- Baled hay
- Haylage (alfalfa + clover)
- Corn silage
- Forage sorghum
- Grasses
- High moisture ground grain

Organic Grain Receiving Guidelines

- CFS can only receive certified organic grain.
- A copy of your current organic certificate must be on file prior to unloading grain.
- GMO testing will be completed on every load of corn and soybeans.
- Testing for vomotoxin will be completed on every load of barley, rye, and wheat.
- No Off-grade grains will be accepted (i.e. moldy, sour, mixed grains).
- Every load will require a complete “Clean Truck Affidavit.” We have copies in our office.
- If you have any questions please call the office in advance.

“I have not failed. I’ve just found 10,000 ways that won’t work.”

Q. What do you call wood when it's scared?

A. Petrified!

Q. What plants like Halloween the most?

A. Bam-BOO!

Q. What do mummies like listening to on Halloween?

A. Wrap music!

Featured Recipe – Pumpkin Bread

3 ½ cups flour

1 ½ tsp. salt

3 cups sugar

2 tsp baking soda

1 tbsp. cinnamon

4 eggs

15 oz. can of pumpkin

1 cup oil

¾ cup water

½ cup chopped walnuts (optional)

½ cup raisins (optional)

Stir flour, baking soda, salt, cinnamon and sugar together. Add oil, eggs, water and pumpkin. Pour into large bread pan. Add walnuts and raisins if desired. Bake at 350 for 35-45 minutes.
